### Production of product concerned

	Quantity (in square meters)
Actual production quantity in product concerned	
Maximum production quantity in product concerned	

### 3. Activities of your company and related companies

Give details of the precise activities of the company and all related companies (please list them and state the relationship to your company) involved in the production and/or selling (export and/or domestic) of the product under investigation. Such activities could include but are not limited to producing upstream inputs used in the production of the product under investigation, purchasing the product under investigation or producing it under sub-contracting arrangements, or processing or trading the product under investigation. Provide details concerning the type of relationship

Company name and location	Transaction volume (in square meters)	Telephone, Email address and Website

### 4. Other information

Please provide any other relevant information which the company considers useful to assist the MOF in the selection of the sample

### 5. Certification

By providing the above information, the company agrees to its possible

inclusion in the sample. If the company is selected to be part of the sample, this will involve completing a questionnaire and accepting a visit at its premises in order to verify its response. If the company indicates that it does not agree to its possible inclusion in the sample, it will be deemed not to have cooperated in the investigation. The MOF's findings for non-cooperating exporting producers are based on facts available and the result may be less favorable to that company than if it had cooperated.
